Ela Area Public Library District  
275 Mohawk Trail, Lake Zurich, IL 60047  
(847) 438-3433 or log on to [www.eapl.org](http://www.eapl.org)

*Need a speaker for an upcoming meeting or want to learn more about Library resources and services?*

*Staff members from the Elia Area Public Library are pleased to offer presentations on a variety of subjects to groups in the community to increase awareness, understanding and use of the Library's vast array of services and collections.*

*Topics currently offered include:*

## Library Resources for Children, Teens and Adults

### *Best Books for Children*

Parents, grandparents and caregivers – pick up suggestions, tips and ideas for choosing the best books for the children in your life. Learn about new classics, books in a series, nonfiction, titles for reluctant readers and the hot titles on the playground. (45 minutes)

### *Best Books for Gift-Giving*

Books are a great gift for kids; they rarely make noise, take up little space in the bedroom and don't require batteries. Learn about the hot new books available online and in the book stores as well as suggestions for those lesser-known titles that are sure to please. (45 minutes)

### *Best Books for Teens*

Discover teen classics, genre favorites, award winners and hot new titles.

### *Every Child Ready to Read Workshop*

This workshop offers practical information on how to encourage your child's success as a reader. (1 1/2-2 hours)

### *Nonfiction Books for Developing Readers*

This talk will highlight nonfiction books for readers of all levels and with all interests, ages 5-14. (45 minutes)

### *Tracing Your Genealogy Roots*

Learn how to begin your family search and find information useful to beginning and experienced genealogists.

## Services for Those With Special Needs

### *Low Vision Resources*

Learn about types of materials, adaptive equipment and resources the Library offers to assist people with low vision. (30 minutes)

## Technology

### *You Found it Where? How to Get the Most Out of the Library's Online Resources*

Learn about many of the free online resources available in the Library and remotely. From auto repair to test preparation, get a sneak peak at the many databases available at your fingertips.

### *Behind the Scenes-Implementing RFID*

Radio Frequency Identification (RFID) is replacing the barcode. We'll discuss the technical considerations for implementing an RFID inventory control system and troubleshooting tips to help you overcome the hurdles.

### *Introduction to Digital Books and Audiobooks*

Discover our growing collection of books in digital and audiobook formats. Learn more about PDF ebooks, mobi/pocket ebooks that can be read on portable devices and digital books for devices like the Kindle or Sony readers. We'll also discuss future developments and trends in digital publishing and the availability of digital books to public libraries. (1 hour)
