Cartooning with Mark Anderson:

Color Me Excited

Sometimes it's hard to be plain black and white like a panda or a skunk. But don't feel blue. We cut through the red tape and got the green light to reimagine animal colors! Zebras with orange stripes? Polka dot dalmatians? They'll be tickled pink! Join Mark Anderson for a lively, interactive cartooning class. For unaccompanied kids ages 5-11. Registration is required.

Tuesday, August 12 at 11:00am

STEAM Explorers

Explore the wide world of science! We will share fun, hands-on activities and experiments. Dress for a mess. For ages 3-5 with an adult. Registration is required.
