

Astronomy Day

Saturday, April 21, FREE {All Day}

Daytime Activities & Star Party

10am-4pm (Activities at Ela Area Public Library, Lake Zurich, IL)

7pm (Star Party, Volo Bog, 28478 W. Brandenburg Rd., Ingleside, IL)

Join the Lake County Astronomical Society to celebrate Astronomy Day 2018. A variety of daytime activities & exhibits are planned, plus an evening Star Party at Volo Bog State Natural Area! See astronomical objects (planets, galaxies, nebulae, star clusters, etc.) through different styles and types of telescopes.

Featured Events:

- Make a comet with Dr. Comet
- Observe our Sun with special telescopes
- Walk a model of our Solar System
- Children's crafts
- Try our 'Kid Powered Telescope'
- Telescope Clinic - bring in your troublesome equipment to Dr. Aperture
- Exhibits for all ages
- NASA 'Ask an Astronomer' clips
- Amazing evening viewing
- Free stickers and glow sticks
- Explanatory demos on black body radiation, retrograde motion doppler shift & more
- Astronomy simulators on lunar phases, seasons, planet orbits....30 in all
- Videos covering a range of astronomical topics
- Enter our door prize drawing by 3pm for a chance to win great astronomy-related prizes
