

Bug Storytime!

Spring Song

The Sun is shining bright.
The Sun is shining bright.
Oh, how I love the warmth,
the Sun is shining bright

The rain is falling down.
the rain is falling down.
Oh, how I love the sound,
the rain is falling down.

The flowers start to bloom.
The flowers start to bloom.
Oh, how I love the sight,
the flowers start to bloom!

Can you move with me!

Can you wiggle like a worm?
Can you squiggle? Can you squirm? (*wiggle*)
Can you flutter? Can you fly? Like a gentle
butterfly. (*flap arms like wings*)
Can you crawl upon the ground? (*crawl hands
on ground*)
Like a beetle that is round?
Can you move with me? (*clap twice*)

(*stand up*)

Can you flip? Can you flop?
Can you give a little hop? (*hop*)
Can you slither like a snake? (*slither
arms/hands*)
Can you give a little shake?
Can you dance like a bee? (*more
fingers/hands around*)
Who is buzzing round a tree? (*make a buzzing
sound*)
Can you move with me? (*clap twice*)

Beehive

Here is the beehive, (make a fist)
But where are all the bees?
Hiding away, where nobody sees.
Here they come flying out of their hive—
1, 2, 3, 4, 5!

Little Red Bug

Little red bug, oh so cute,
here's a black spot for your suit.
Now you go and have some fun,
with your spot, your very first one.

Little red bug, oh so cute,
here's a black spot for your suit.
Just one spot will never do,
so enjoy these lovely two.

Little red bug, oh so cute,
here's a black spot for your suit.
We are very pleased to see,
how nice you look wearing three.

Little red bug, oh so cute,
here's a black spot for your suit.
You might look good in just one more,
So here is black spot number four.

Little red bug, oh so cute,
you've got four spots on your suit.
I know soon you'll fly away,
But please come back again to play!

Ten Little Flowers

One little, two little, three little flowers.
Four little, five little, six little flowers.
Seven little, eight little, nine little flowers.
Ten little flowers in the spring.

Give them rain and lots of sunshine.
Give them rain and lots of sunshine.
Give them rain and lots of sunshine,
so they'll grow up tall!
