

## How to download and stream movies and television shows on your mobile device or computer

1. Register for an account by visiting [www.hoopladigital.com](http://www.hoopladigital.com) or using the [hoopla](#) app on your IOS or Android mobile device and click on **SIGN UP**. You will need to provide an email address, create a password and have your library card information. The [hoopla](#) mobile app can be found in the Apple App Store or the Google Play Store for select Android devices.
2. Easily browse titles on your computer or mobile device by clicking **BROWSE** and choosing the **MOVIES** or **TELEVISION** tab. You can also search for a specific title by clicking on the **SEARCH** box and typing in your title/keyword.
3. To borrow a title click on the titles icon and then click the **BORROW** button. The borrowed titles can be found under the **MY TITLES** tab for viewing/listening. Enjoy your selected titles!

To watch [hoopla](#) movies through your browser, you will need to download and install the Widevine video player plug-in. Widevine is a free add-on for your browser that is owned by Google. If you do not already have this installed when you attempt to play a video title in your web browser, you will see a notification that will direct you to the Widevine website, from there you simply need to click on **INSTALL NOW** and follow the on-screen prompts.

4. Borrowed titles will be automatically returned when your lending period is over. Videos lend for 72 hours.
5. If you need additional help, visit [www.hoopladigital.com](http://www.hoopladigital.com) and click on the **NEED HELP?** link at the bottom of the page or call the Library at (847) 438-3433.
