Because the Library is switching from Modified Cash to Modified Accrual accounting, the June Treasurer’s Report includes both reports from QuickBooks using cash, and from the new MIP fund software using accrual. Executive Director Rosenthal explained the differences between the two sets of reports and how adjustments will be reported moving forward. The biggest change will be in how the Balance Sheet is presented: fund balance from FY2019 and FY2020 only included Cash and Investment assets: fund balance from FY2021 includes receivables, prepaids, and payables. We believe using Modified Accrual will more accurately portray fund balances and result in fewer erroneous tax objection lawsuits.

A. 21-07-01 Tentative Budget and Appropriation Ordinance

Executive Director Rosenthal described the purpose of the tentative B & A. Following the Board's approval of the FY2022 Working Budget in June, the next step on the fiscal calendar is approval of the FY2022 B&A. The B&A outlines the objects and purposes of expenditures and specifies the maximum amount which can be legally expended by the Library in the current Fiscal Year if sufficient funds are available. Prior to passage of a Final B&A, a public hearing must be held. That hearing is set for Tuesday, September 21, 2021 at 6:00 pm. A draft of the B&A, known as the Tentative B&A, must be available to the public for a minimum of 30 days prior to the hearing. Following tonight's meeting; the document will be available both on the library's website and on the public notice bulletin board at the front of the Library. Approval of the Tentative B&A only approves the amounts for posting and is not final approval of the ordinance, which will only happen after the hearing. Amounts in the final B&A ordinance can be adjusted to the board at the hearing and before final adoption.

Trustee Caudill moved:

“To Approve Ordinance 21-07-01 Tentative Budget and Appropriation in the amount of \$6,864,060 for Fiscal Year 2021-2022 as presented.”

“This Illinois Public Library Annual Report (IPLAR) is being filed in accordance with 75 ILCS 5/4-10 (municipal libraries) or 75 ILCS 16/30-65 (public library districts). The undersigned authorized agents for this public library: (1) accept and acknowledge that the appended IPLAR is essentially accurate and correct; (2) transmit the appended IPLAR for review and any subsequent resolution; and, (3) agree that the electronic IPLAR copy submitted to the Illinois State Library shall serve as the official file copy.”

Before the FY2021 Illinois Public Library Annual Report (IPLAR) can be submitted, two trustees must perform the Secretary’s Audit. Last year Trustees Blank and Steker completed the audit. The IPLAR is due 8/31/2021 so completion of the Secretary’s Audit should be done before audit.

Trustees Kathy Caudill and Mary Silcroft volunteered to audit the minutes.

F. Investment Policy

Executive Director Rosenthal explained that Lake County earned an amazing amount of interest last year, \$9.7M and she asked our investment company Ehlers if we're able to employ the same strategies. They informed her the Illinois Public Funds Act enables units of government to invest in corporate bonds and municipal bonds of other units of government, which may enable us to earn higher rates of return. However, our current Investment Policy only lists 4 of the 6 permitted investments in the Illinois Public Funds Act. In an effort to include the additional 2 investment options, Executive Director Rosenthal restructured and revised the Policy to include Procedures (which the Policy language said we would include but hadn't yet) and moved language around.

Trustee Blank moved:

"To approve library board policy 1.12 Investment Policy with a reviewed and revised date of 7/2021."

The Lake County State's Attorney sent a letter asking units of government to appoint an "auditing official" in compliance with new whistleblower legislation. The Executive Director is the recommended choice as the "auditing official." The responsibilities set out in the Act are already the Director's responsibilities. Ancel-Glink sent the recommended whistleblower policy to comply with the new requirement

Trustee Caudill moved:

“To approve the addition of 2.11 Whistleblower Policy with an effective date of 7/2021.”
