

Butterfly Storytime!

Spring Song

The sun is shining bright.
The sun is shining bright.
Oh, how I love the warmth,
the sun is shining bright

The rain is falling down.
The rain is falling down.
Oh, how I love the sound,
the rain is falling down.

The flowers start to bloom.
The flowers start to bloom.
Oh, how I love the sight,
the flowers start to bloom!

Butterfly Colors

The first to come to the garden bed, is a lovely butterfly of brilliant **red**.

Then in comes another and that makes two,
Fly right in, my friend of **blue**.

“The garden is fine, the best I’ve ever seen.”
Says the butterfly of spring time **green**.

Our garden needs a sunshiny fellow, Fly in butterfly with wings of **yellow**.

Little friend of purple, fly in too,
this green is waiting for a color like you.

Orange, orange, orange, you’ve waited so long,
fly right in where you belong.

Butterflies, butterflies you're such a sight,
Flying in together – a springtime delight.

Ten Little Flowers

One little, two little, three little flowers.
Four little, five little, six little flowers.
Seven little, eight little, nine little flowers.
Ten little flowers in the spring.

Give them rain and lots of sunshine.
Give them rain and lots of sunshine.
Give them rain and lots of sunshine,
so they’ll grow up tall!

Pretty Butterfly

Here comes a butterfly and lays an egg.
(fly fingers onto palm)

Out comes a caterpillar with many legs.
(crawl fingers on palm)

He eats and eats until he forms,
(chomp fingers like eating)

A little chrysalis to sleep in.
(close fingers on palm)

Then from the chrysalis, my oh my,
(open fingers slowly)

Out comes a beautiful butterfly!
