

Spring Storytime!

Spring Song

The sun is shining bright.
The sun is shining bright.
Oh, how I love the warmth,
the sun is shining bright

The rain is falling down.
The rain is falling down.
Oh, how I love the sound,
the rain is falling down.

The flowers start to bloom.
The flowers start to bloom.
Oh, how I love the sight,
the flowers start to bloom!

Ten Little Flowers

One little, two little, three little flowers.
Four little, five little, six little flowers.
Seven little, eight little, nine little
flowers. Ten little flowers in the spring.

Give them rain and lots of sunshine.
Give them rain and lots of sunshine.
Give them rain and lots of sunshine,
so they'll grow up tall!

One from the Left by Jim Gill

One from the left and one from the right,
met in the middle and danced all night.
They made up a dance called the whoopdee
doo.
Then they waved goodbye and walked away,
those 2.

Two from the left and two from the right,
met in the middle and danced all night.
They made up a dance called snips galore.
Then they waved goodbye and walked away,
those 4.

Three from the left, three from the right,
met in the middle and danced all night.
They made up a dance called the finger mix.
Then they waved goodbye and walked away,
those 6.

Four from the left and four from the right,
met in the middle and danced all night.
They made up a dance called bend and
straight.
Then they waved goodbye and walked away,
those 8.

Five from the left and five from the right,
met in the middle and danced all night.
They made up a dance called clap, and clap,
and clap and clap again.
Then they waved goodbye and walked away,
those 10.

Spring Colors

See the yellow sun, up in the sky.
See the blue birds, flying by.
See the green grass, underneath my feet.
See the red flowers, that smell so sweet.
See the brown tree, that stands so tall.
See the pink blossoms, just starting to fall.
See the orange caterpillar, soon he will be,
A colorful white butterfly, for all of us to see!
